Dear Mr. Hailstalk:

I am very sorry I did not get to see you when I was in New York last. Mr Manley told me you and I were supposed to meet at the dance. I got my affairs a little mixed up, and did not even see him again that day until he returned to Newark.

I do not know exactly what day I will be in New York again, so I think it would be better if we finished our business through the mail. I would like you to send me a contract like you did last year, stating the number of men the time of arrival at the park (1P.M.) and mention Miss Willa Mae Johnsons name.

I am hoping to have all the colored soldiers in Fort Dix, the entire 372 regiment. I do hope it will be a bigger day than last year. However that all remains to be seen.

Please let me hear from you as soon as possible as I want to get my affairs arranged.

Very Truly Yours
